Dimensions listed are nominal. Please check the actual product size to ensure the right fit for your application.

Note: Flat Textured Capstones can be used for fireplace hearths. Hearthstones are not suitable for foot traffic.

The Cultured Stone® collection of manufactured stone veneer products is engineered to meet or exceed specifications for all major code approvals, including AC-51. They're also virtually maintenance-free and backed by a 50-year limited warranty.

Only genuine Cultured Stone® brand products have a CSV® indicia embossed on the edge.

The product colors you see are as accurate as current photography and printing techniques allow. We suggest you look at product samples before you select colors.
