

DUTCH QUALITY STONE®

NEW PRODUCT

MIDNIGHT, *Weather Ledge*

Midnight Weather Ledge evokes depth and character, creating a bold statement in any design. Its dark hue adds a touch of drama and elegance, complementing rugged designs while still retaining a modern and refined appearance.

Weather Ledge features varying heights and a distressed aged surface. Each stone is shaped to ensure a tight dry stack installation, giving a moderate shadowing effect - even when grouted.

Stone Sizes - Length: 4" to 23" & Height: 1½" to 7½"

Learn more about Dutch Quality® - Midnight, Weather Ledge by contacting your local representative or customer service.
