

2017 POP @ PCBC (Parade of Products) Award Winner!

The Parade of Products (POP @ PCBC) is an awards program designed to honor outstanding achievements in innovation and new product development.

EASY-FUR™ A Rollable Furring Strip

EASY-FUR™ is an entangled polymer net furring strip that creates a cutting edge rainscreen and venting system behind wood and fiber-cement siding.

Easy-Fur's unique design allows for the fastest installation of any furring strip on the market, because it can be rolled onto the wall and easily cut to length.

Creating ventilation behind your siding is the best way to increase the life of the siding, as well as decrease the effects of moisture products in your wall.

- ✓ **Creating ventilation behind your siding is the best way to increase the life of the siding**

Benefits

- ✓ Easy to install
- ✓ Can be cut with scissors
- ✓ Promotes airflow and drainage
- ✓ Meets most local codes
- ✓ Will not split, warp or rot
- ✓ Provides no source for the promotion of MOLD, MILDEW or BACTERIA
- ✓ Lightweight and easy to carry
