

VALLIS

Product Sheet

July 2025 | v1

The Vallis profile captures contemporary elegance with its sleek, elongated stones arranged in a clean dry-stack style. This refined, structured look is ideal for modern interior and exterior projects.

Product Features

- Integrated 0.5" air gap thanks to the EziKi anchor key system — promotes wall ventilation and moisture control
- Reversible panels with built-in corners — reduce material waste and optimize installation
- Galvanized steel anchor keys and starter strips — mortarless installation
- A lightweight concrete solution that is mindful of nature with over 70% recycled content
- Limited transferable 50-year warranty
